EMSWORTH YACHT HARBOUR

External Contractor

Environmental Induction Guidelines

At Emsworth Yacht Harbour, we are commited to conserving and protecting the environment and minimising the negative impacts of non-sustainable practices. We ask that all visiting contractors abide by the following guidelines when on site.

When working on site, please:

Ensure that you use tarpaulins to catch any scraping, drips, or solid waste you produce.

Dispose of any scrapings and waste materials in black bags in the appropriate receptable.

Keep the surrounding area clean and tidy.

Where possible, use products that are biodegradable, phosphate and chlorine free.

Responsible Waste Disposal

EYH maintains recycling facilities for hazardous waste in a dedicated area by the crane quay.

We have facilities to responsibly dispose of the following materials and items:

- Waste Oil
- Oil Filters & Containers
- Oily rags & Absorbents
- Paint Cans & Brushes
- Batteries

Our hazardous waste area is secure - **please contact the Harbour Office for access.**

If you have any concerns about the best way to dispose of waste, please contact the Harbour Office.
